ROBINSFinancial
CREDIT UNION

Better Banking for Everyone

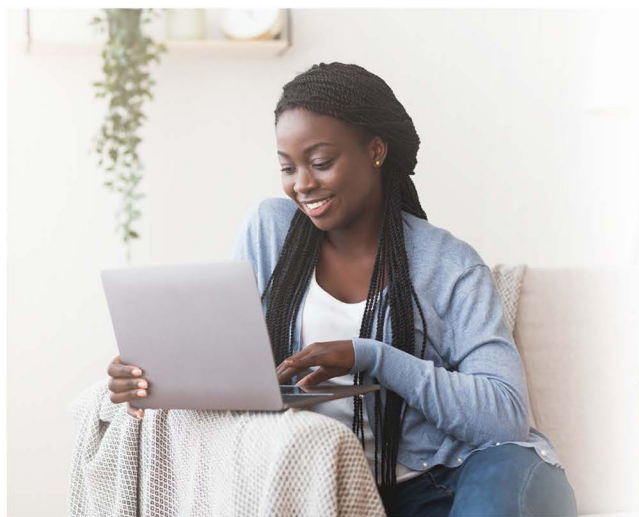

Do More with Digital Banking

With convenient and secure Digital Banking, you can access your account anytime, anywhere, with features that make managing your finances even easier. Our Digital Banking User Guide walks you step-by-step through the features available in Digital Banking, including self-serve options like activating a card, changing your contact details, updating your login ID, and more. Whether you're just getting started using our digital tools or you want to learn more about a feature, you can access the Digital Banking User Guide in the Digital Banking app or our website at robinsfcu.org/guide.

Protect Your Account

The safety and security of our members is a top priority for us. We are committed to keeping your information safe, and our protections work best when we have your help. The best way you can protect your financial account is never sharing your information, especially your Digital Banking login ID and password, account number, Secure Access Code, or any other details. To learn how we protect our members and how you can protect yourself, view the Security and Fraud information on our website, read our blog articles, and watch our Scams and Fraud playlist on YouTube.
