## Message from the President & CEO

Robins Financial Credit Union is celebrating its 65th Anniversary this year. We are thankful for the trust and loyalty that our membership has shown throughout the years. The credit union continues to experience strong growth this year, serving over 209,000 members with total assets exceeding \$2.6 billion. We are the second largest credit union in the State of Georgia. We have also been named the Best Financial Institution and Mortgage Company in The Telegraph's most recent reader's poll.

The financial support that we provide to our communities and charities will continue to be part of our mission. We recently provided fourteen scholarships to graduating seniors from local high schools. The employees and credit union contributed over \$96,000 to the United Way of Central Georgia. We made a major commitment to the Beverly Knight Olson Children's Hospital to sponsor the Sick Kids Waiting Area.

The staff, management, and Board of Directors of Robins Financial Credit Union are here to serve you and help you reach your financial goals. We want to promote responsible borrowing and encourage saving for those unexpected life events. Thank you for your continued support and membership.
