RE: Important Information Concerning Your Safe Deposit Box

Dear Name,

There are changes taking place for members who rent Safe Deposit Boxes at Persons a Division of Robins Financial Credit Union locations. Our records indicate that you currently rent a Safe Deposit Box, however you have no other deposit accounts associated with your rental. In order to continue renting your Safe Deposit Box, you will be required to open a deposit product such as a checking or savings account by **March 1, 2023**.

In the event that you elect not to open a deposit product by **March 1, 2023**, the Safe Deposit Box Lease Agreement will be terminated; you will have to surrender the safe deposit box, and remove all of its contents.

Robins Financial Credit Union offers a variety of deposit accounts to fit your needs. With a variety of checking and savings accounts to choose from, our accounts offer great benefits that make your money work for you. You can open your new account online at robinsfcu.org or at any Robins Financial Credit Union location.
